

St. Edward Beavers

Covid-19 Fall Activity Guidelines

General Information

These guidelines may change at any time with or without notice.

St. Edward will follow DHM mandates. Currently 75% capacity for gyms (650 people capacity for main gym which would be approximately 475 people allowed to follow mandate). Outdoor capacity is allowing 100% at this time.

Masks are highly recommended for all spectators.

Social distancing is encouraged at 6' distancing between families.

Visiting teams will temperature check their athletes prior to leaving. Temperatures must be less than 100.4 degrees.

Concessions will be offered but with a limited offering of items.

Visiting fans will be in the West bleachers of the gym. At the football field, visiting fans will be on South side of the field.

No pep bands from visiting schools will be allowed.

St. Edward dance team may perform at half time. No visiting dance teams will be allowed to perform.

All young children need to sit in the bleachers with their family groups. They will not be allowed to go into hallway or commons unattended.

Student sections will be allowed at this time.

Volleyball

Teams will not switch courts or benches. St. Edward will sit on the South bench of the West bleachers. The visiting team will sit on the North bench of the West bleachers.

All players will have their own water bottle.

If visiting team needs ice, ice can only be handled by home administration or coaches.

St. Edward is asking that visiting teams bring their own volleyballs for warm-ups.

Sanitizer will be placed on both benches.

Each team will dress and shower in their respective locker rooms.

Officials will have their own changing area.

When hosting a triangular or quadrangular, each team will have their own locker room or changing area.

Team who plays 2 in a row in a triangular or quadrangular will remain in the same bench area. Other bench area will be disinfected between games.

Visiting schools must take temperatures of their athletes prior to leaving for event. Temperatures must be lower than 100.4 degrees.

Teams will NOT shake hands before or after any games.

We advise all spectators, players, and coaches of both schools to avoid intermixing with too many individuals before, during, or after any game. Please focus on visiting with your family and do your best to social distance while you are visiting.

Football

All players will have their own water bottle.

All players will social distance as much as possible on the sidelines. Any additional sideline personnel are encouraged to wear a mask.

If visiting team needs ice, ice can only be handled by home administration or coaches.

Sanitizer will be placed on both benches.

Each team will dress and shower in their respective locker rooms.

Officials will have their own place to change.

Visiting schools must take temperatures of their athletes prior to leaving for event. Temperatures must be lower than 100.4 degrees.

Teams will NOT shake hands before or after any games.
