Fullerton Public School Newsletter

November 1, 2025

Lynn Johnson, Interim Superintendent

Mrs. Tammy Carlson, Elementary Principal

Mr. Eric Burenheide, High School Principal

FROM THE SUPERINTENDENT'S DESK

This is the time of year when we are reminded of gratitude and thankfulness. On November 11, we will honor our veterans and all that they have sacrificed and endured for our freedoms. Just a few weeks later, we will celebrate Thanksgiving—a time to give thanks and appreciate the many blessings in our lives.

I am truly thankful to be part of the Warrior family, where all stakeholders work side by side to build a thriving community of learners. We have just completed a successful fall activities season, and our fall Measures of Academic Progress (MAP) testing is nearing completion. Our students have participated in homecoming festivities, Red Ribbon Week, Fire Safety Week, and a wide variety of other activities. Each of these endeavors was made possible through the support of our extended community. Through the hard work and creativity of our staff, students, parents, and community members, we continue to build a legacy of excellence. We have much to be grateful for at Fullerton Public Schools, and it is good to take stock of that fact each day.

The Fullerton Board of Education has contracted with the Nebraska Association of School Boards (NASB) to assist with the superintendent search. All members of our community are invited to share their thoughts on the qualities and skills most desired in our next superintendent. A link to the community survey can be found on our website, and we encourage you to take a few moments to provide your valuable input. The goal is to identify a slate of interview candidates around December 17, with interviews tentatively scheduled for January 7.

I also want to express my gratitude to our students, parents/guardians, and bus drivers for their flexibility as we navigate ongoing road repairs around our campus. At times, we have needed to relocate the bus loop to the front of the school, and we greatly appreciate everyone's cooperation and attentiveness as walkers, parent pick-up, and bus routes share that front loading area.

"Warriors on a Mission – Achieving Greatness Together."

A poster for the Veterans Day Program. At the top, a red banner reads "Fullerton Public School invites you to our". Below the banner are five blue stars. The main title "VETERANS DAY PROGRAM" is in large, bold, red capital letters. Below the title, it says "We invite all community members, and particularly, our local veterans to be honored on Veterans Day at an assembly in High School Gymnasium." Then, in red script, it says "The assembly will include". Below that, it says "Guest speaker: Brad Wetovick - FPS Graduate". At the bottom, it says "NOV 11, 2025 AT 11:00 A.M." with three blue stars underneath.

Scholastic Book Fair is Coming

The Scholastic Book Fair comes to Fullerton Public Schools with a preview on Tuesday, November 4 for students and teachers in the school media center. On Wednesday, November 5 and Thursday, November 6, the fair is open to the community.

The Book Fair features traditional children's favorites and new works by popular authors and illustrators. Parents and teachers will find plenty that will interest them, too. Hours will be 8:30 a.m. to 5:00 p.m. on November 5 and 6 in the media center. We accept cash, check, or credit card.

Building classroom libraries is one goal of the fair. Visitors can purchase and donate requested books for any classroom's library.

If you have questions, please contact Tammy Carlson at 536-2431.

SCHOOL CLOSING, LATE START, AND EARLY DISMISSAL FOR INCLEMENT WEATHER

At times, poor weather conditions may require us to start school late, dismiss early, or cancel school for the day. When changes to the regular school schedule are necessary, our school messaging system will send phone calls, texts, and/or emails to notify parents/guardians and staff. Please ensure that your contact information in PowerSchool is current, as this is where the system pulls phone numbers and email addresses.

We will also broadcast announcements on television channels 5, 8, 10/11, and 13. Decisions to modify the school day are always made with the safety of our students and staff as the top priority.

Parents/guardians are reminded that they make the final decision on whether their child(ren) will attend school when weather conditions are questionable. Please note that bus students will not be counted absent on days when buses are unable to run due to inclement weather.

Music Notes

The Fullerton Marching Band won 1st place in Class D at Harvest of Harmony out of 40 Class D Bands. They also won Best Band in Class C/D out of 62 Bands. They finished 3rd place out of all 92 bands in the parade only losing to Kearney High School and Aurora High School. This years Student Representative was Elena Reimer.

Fullerton representative Elena Reimer smiles and waves as she rides through the Harvest of Harmony Parade

Lylla Sabata was selected to this years NMEA Allstate Band! This makes it her 3rd time making the Allstate Band. There are over 2000 students that audition for Allstate making Allstate Band is one of the highest achievements you can attain in high school music.

National Honor Society Coat Donation

This week, members of the National Honor Society delivered five totes of coats, scarves, and gloves collected last year to the Fullerton Food Pantry for those in need. This project was a huge success and will hopefully impact many in the community. Pictured are National Honor Society members, Maxton Meysenburg, Ella Pickeral and Elena Reimer. Thank you for your generous donations!

On October 13, nine members of the Student Council were able to attend the Nebraska Association of Student Councils State Convention at Papillion-LaVista South High School. There were approximately 500 students in attendance from across the state. We learned about how other schools operate their councils and brought some ideas home that will hopefully impact our school and our community. Throughout the day, the students were engaged in a message from the keynote speaker, A'ric Jackson, as well as participating in leadership mini-lessons of their choice. According to senior, Everett Gleason, the experience was as follows:

"Attending the NASC State Convention was an unforgettable experience. Our spokesperson was incredibly friendly and engaging, creating an interactive environment that kept the audience involved and energized. Serving as a voting delegate allowed me to take part in meaningful decisions and gain firsthand experience in student leadership at the state level. Beyond the formal sessions, it was exciting to meet and interact with students from different schools, exchange ideas, and learn about the unique initiatives happening across the state. The convention was not only fun but also inspiring, showing the power of collaboration, communication, and leadership among students."

ELEMENTARY ADVENTURES

Third Grade: On October 3, the third graders enjoyed going back in time for their field trip. We visited the Neligh Mill and learned what life was like at a flour mill 152 years ago. Then, we visited the Ashfalls Fossil Beds in Royal, Nebraska. There they explored the fossils of long ago.

Students learn about life at a flour mill years ago.

Students explore the fossil beds at Ashfalls.

(Elementary Adventures Continued on next page)

Second Grade: On October 24 the second grade class took an exciting field trip to the Hastings Museum! They started by doing a weathering and erosion experiment, where we explored how wind, water and ice can change the Earth's surface over time. Then they watched an amazing Animal Kingdom 3D movie, where they got to see animals from around the world up close and learn about their habitats and behaviors. Finally, the class visited the planetarium, where they explored the stars, planets and constellations in the night sky. It was a fun and educational day full of hands-on learning and discovery for all of the second grade students.

Kindergarten and Sixth Grade Reading Buddies: Kindergarten and sixth grade students meet a few times each month for an activity, as well as every day at lunch recess. The relationships between sixth grade and Kindergarten are so much fun to watch.

Kodan – I play with Luke outside. I play football with him.

Kane – I like to play tag with Harvey.

Amalia – I play tag with Molly.

Ezekiel – We run together at recess.

Farmer Feeds

Seniors and officers alike helped out at two Farmer Feeds in October: Frontier Cooperative in Belgrade and CVA in Fullerton. Members grilled, packaged, and handed out meals at both to farmers in the area as harvest season has been going on.

FFA officers, Emilyn Kurz, Parker Aaberg, Sami Sullivan, Maxton Meysenburg, Zane Koziol, Elena Reimer, Reese Dubas, Ella Pickrel Delylla Olson were ready to feed the farmers with appreciation

FFA members, Ella Pickrel, Georgia Bridger, Elena Reimer, Maxton Meysenburg, Zane Koziol, Cayden Scheffler, Ryan Cook help with feed the farmer lunches

Sami Sullivan labels the lunch sacks thanking the farmers.

Area Land Judging

A group of sophomores and juniors traveled up to Royal, NE to compete at Area Land Judging. Despite the foggy weather, they had a great time and placed 9th as a team overall!

We were a very inexperienced team again this year and the players dedicated themselves to improving and achieving personal bests. Each player improved throughout the season with the biggest improvement coming from Aubrey at the district meet.

If the girls can get playing time in during the spring and summer, next season's success should result in lower scores and higher places in meets.

FALL-OWING Healthy Habits

IMMUNE SUPPORT:

A healthy immune system can help prevent fall and winter time illnesses. Some things you can do to boost your immune system are:

GET PLENTY OF SLEEP!

INCLUDE foods in your daily intake that are high in Vit. C and ZINC, such as fruits, veggies, beef, nuts and beans!

REMBEMBER TO:

Wash your hands, Wash your hands, Wash your hands!

FUN FACT:

Did you know pumpkins have a lot of health benefits? Pumpkins can provide large amounts of Vit A, along with other antioxidants that can not only improve your immune system, but your sight, skin, and digestive health!

REMiNdeRS

WEATHER:

The weather is getting cold, be sure your student is dressed for cold conditions as they will go outdoors for recess.

DRIVERS:

If your student drives to school, have them create a small emergency "survival kit" for their car. This can include a small blanket, bottle of water, a few snacks, extra socks, a flashlight, a hat and gloves.

NEEDs: NEW/GENTLY USED

LONG SLEEVE shirts:

BOYS: XS, SM, M, L and XL

GIRLS: XS, SM, M, L and XL

GIRLS LEGGINGS: XS, SM, M, L and XL

BOYS SWEATPANTS: XS, SM, M, L, XL

Happy Thanksgiving
